MX SERIES

The MX2040 has the length to fish big water and the versatility to slide into skinny water in a back slough. A wide open platform that offers incredible Fish-ability.

Skeeter's MX 2040's Deep-V hull is designed to give the multi-species fisherman maximum versatility. It's a wide open fishing platform built to fish close to the water with extreme stability. Equally adept at casting and trolling, you can unleash your arsenal of fishing tactics to bring in the big one.

The MX2040 is the ultimate Multi-Species fishing machine. It was engineered and built for the way you fish.
