Carbontex Washer Sizes

Please check the price page first to see if your reel is listed there, or send us an email with your reel model to see if we have the proper set already sorted out. If not then you can try to find the washers that match your reel using these measurements.

Washer Number	Outside Diameter		Inside Diameter		Thickness	
	Millimeters	Inches	Millimeter	Inches	Millimeter	Inches
1	16	0.613	8.25	0.325	.5, .76 1	.020, .030 .040
