

This unique walleye-fishing tournament will be held on the St. Croix River and benefits The Safe City Project. It's a good time to fish and walleyes will be caught!

Safe City exists to build relationships between individuals, police, businesses, and community groups in the Frogtown area and throughout the Twin Cities.

The Safe City Project meets a diverse demographic of at-risk young adults on a case-by-case basis, and provides for their basic needs and builds relationships leading to responsible citizenship.

Please support The Safe City Project by fishing in our tournament. It will be will the largest youth fishing day ever on the St. Croix River! Many of the youth will be fishing for their first time and not have had the chance to fish until now!

We are looking for service minded experienced anglers with a fishing boat that will accommodate four anglers total *You provide fishing gear, bait, gas, and life jackets for your guests.*
