

# COLORADO<sup>®</sup>

Mid-Profile Fifth Wheels

Begin Your Adventures with Colorado

*Impeccably designed for discriminating tastes.*

Designed for the discriminating RV owner, Colorado surrounds you in luxury and value.

Colorado boasts elegant fifth wheel floorplans with spacious and functional kitchens, master baths and bedroom suites. The dazzling residential interior decors distinguish the product from the competition.

*Begin your adventures with Colorado.*

More premium standard features than the competition make Colorado one of the best values in the market. Solid ash cabinet doors, drawers and frames, solid wood slide fascia, residential carpet with 3/8" rebond carpet pad, 5-in-1 home theater system, residential rockers, day/night shades, 80% tint safety glass windows and premium kitchen appliances, brushed nickel cabinet hardware, 1.3 cu.ft. over-the-range microwave, brushed nickel kitchen faucet, water purifier are just a few of the standard features in Colorado.

30CE-M5-BS shown in Fusion Sage

# Colorado Premium Construction

## MOR/ryde System

The MOR/ryde RE system works with the existing leaf springs and axles, but replaces the steel leaf spring equalizer. It isolates and absorbs road shock and increases the dynamic travel of the leaf spring suspension.

The MOR/ryde RE system provides better protection of your trailer with up to a 30% improvement in the dampening of road shock. Reduced road travel shock means less wear and tear on you trailers components. Colorado and MOR/ryde - you will feel the difference.

## R14, 5-Layer Roof Construction

Front/Rear Wall	R9

## Laminated Floor Construction

# COLORADO

Premium Components + Premium Construction  
= Premium Value

# Colorado Competitive Advantages

## Hardwood Cabinet Stiles

Colorado Hardwood Stiles,  
Slot & Screw Construction

Competitors Vinyl Wrapped Stiles,  
Staple Construction

Colorado features solid ash hardwood cabinet doors and solid ash cabinet stiles (frames). The hardwood stiles are screwed together and are stained to match the doors. Hardwood doors and stiles will retain their factory new appearance for years of durable use.

Most competitors use vinyl-wrapped MDF fiberboard doors and stapled vinyl-wrapped stiles. The competitors less expensive construction may swell and delaminate over time.

Colorado construction - You can see the difference.

## Safety Glass Windows

Colorado Dark Tint,  
Safety Glass Windows

Competitors Non Tinted,  
Non Safety Glass  
Windows

Colorado features safety glass windows with 80% dark tint. Colorado's windows add security and privacy to your fifth wheel.

Most competitors offer non-tinted, non-safety glass windows as a standard feature, and charge extra for safety glass and dark tint windows.

## Radius Roof Transition

Colorado Radius Roof

Competitors Angled  
Roof

Colorado's five inch thick tapered roof trusses transition onto the sidewall a full four inches. This allows water to run off the roof to rain gutters. Plus, the extended rain gutters direct water away from the side of your trailer.

Most competitors butt their roofs into the sidewall. This may cause water to pool up at the edge, which may cause a leak.

## Luggage Doors

Colorado 1" Thick  
Luggage Doors

Competitors 1/2  
Thick Luggage Doors

Colorado features a full 1" thick luggage door. Thicker luggage doors mean more insulation and safety for your fifth wheel.

Most competitors' doors are only a 1/2" thick, which reduces the insulation value of the sidewall. Plus 1/2" doors are less secure.

Protect your gear with Colorado.

## Microwave

Colorado 1.3 Over  
the Range Microwave

Competitors  
Microwave

Colorado features a premium 1.3 cubic foot, over-the-range microwave with integrated fan and light. This adds more cabinet space above the microwave.

Most competitors offer a smaller microwave built into a separate cabinet, reducing storage. A range hood is below the cabinet taking up more space above the range.

## Heating and Cooling Systems

**Heating:** Colorado will keep you warm on those chilly evenings with a standard 35,000 forced air furnace. Most competitors only offer a 30,000 BTU furnace.

**Cooling:** Colorado features a standard 15,000 BTU roof air conditioner with a digital remote and quick cool feature. It's easy to use and cools your trailer more efficiently than the competitors 13,000 BTU roof air.

## 10 Gallon Water Heater

Colorado's standard 10 gallon, quick recovery water heater allows for longer showers.

Don't settle for the competition's smaller 6 gallon water heater.

## 8 Cu.Ft. Refrigerator

Colorado features an 8 cubic foot refrigerator as a standard feature.

What does the competition offer?

Limited Warranty – Two years structural and appliance  
– One year hitch to bumper

See owners manual for more information

Vehicle loading - Every effort has been made to provide the greatest number of options for the recreational vehicle owner. Along with these choices comes the responsibility to manage the loads that are imposed by the choices that they remain within the manufacturer's specified chassis weight limits. Do not overload the recreational vehicle.  
Some optional equipment not included. Net carrying capacity (NCC) is determined by subtracting unloaded vehicle weight (UVW) from gross vehicle weight (GVWR) and includes fluids, options and cargo. Liquid capacities and weights are approximations only. Warning - This information is intended as a guide only. Weights of individual vehicles may vary. Consult your owner's manual for complete loading, weighing and towing instructions. \*UVW and Hitch Dry Weight are base weights of units without options. Each unit includes a weight label which lists specific weight information for that unit.  
Product information, specifications, and photography in this brochure were as accurate as possible at time of printing. Photographs may contain some features that are optional on your vehicle. Since we continually strive to improve our products, actual products may differ. Prices and specifications are subject to change without notice. All capacities are approximate and dimensions are nominal. Some features or options may be different or unavailable in Canada. Vehicles are designed for recreational use only and not intended for use as a primary residence. All product brand names used in this brochure are registered trademarks of Thor Industries Inc. Unauthorized use of trademarks is prohibited by law.
