**Dear Mercury Customer:**

Congratulations on your Mercury engine purchase. We are proud to welcome you to the Mercury Family and want to offer you the peace of mind you deserve. For a limited time, you have a chance to purchase or upgrade a Mercury Product Protection (MPP) Plan for your Mercury engine. This is the industry's best factory-backed extended service contract and serves to provide protection after the Standard Limited Warranty expires.

**The Product Protection Contract on the reverse side of this letter provides several options:**

- ✓ Add Platinum Level Coverage
- ✓ Upgrade your current Gold Level Coverage to Platinum Level Coverage
- ✓ Extend your current Platinum Level Coverage to the years specified on the reverse side

**Gold Level Coverage: Mechanical Protection Only**  
**Platinum Level Coverage: Mechanical & Electrical Protection**  
*Copies of the Comparison Chart and Platinum Plan Benefits & Provisions are enclosed*

**Answers to questions you may have:**

1. MPP coverage starts when the Standard Limited Warranty ends; coverage is not concurrent.
2. Total coverage is for up to 8 years (Standard Limited Warranty + MPP Coverage = 8 years).
3. Engine service may be completed at any Authorized Mercury Dealer.
4. Service events under Gold or Platinum coverage have a \$50 deductible.
5. MPP coverage is transferrable (Fees may apply) to a new owner within 30 days from sale date.

To enroll your engine in MPP, please complete and send in the form on the reverse side. Mercury Product Protection will do the rest to make sure you get the extended coverage you desire, letting you concentrate on enjoying your time on the water. Thank you for your purchase and please contact the MPP Team at 888-427-5373 if you have any questions.

Sincerely,

Mercury Product Protection Team
